Dear: Buffalo Bills Backers of Brandon

Thank you for your generous gift. Your support will help fulfill the needs of Central Florida's most vulnerable children.

Children's Home Society of Florida (CHS) has been protecting children and growing healthy, happy families for more than 102 years. CHS provided more than 10 different programs to keep 3000 children safe and to help build and stabilize families. In the Gulf Coast Division we have two emergency shelters: Joshua House and Hansen Center. We offer many different programs such as pregnant teen education, mentoring programs and foster care programs. There are just some of the ways we help turn lives around.

Together, we provide hope for our children. Children's Home Society of Florida depends upon friends like you to continue our legacy of embracing children and inspiring lives. On behalf of the Board, Staff and most importantly the children we serve – Thank you very much!

Sincerely,

Teri Saunders
