Dear Friends,

Thank you for your gift to Hunter's Hope for \$549.00. It is because of gifts such as yours that we have been able to award over \$3.8 million in grants to scientists researching Krabbe Disease and other leukodystrophies. Together with your help, we will find a cure.

Your support is helping to fund research and programs that are making an incredible impact. From Newborn Screening issues and early detection, to Cord Blood Transplants and myelin regeneration, we are working hard to make life better for these children and their families. Make sure you check out our website at www.huntershope.org for updates on our news and progress along with upcoming events.

On behalf of the children, their families and friends, thank you for making Hunter's Hope a part of your life.

May God bless you.

With hope,

Jill and Jim Kelly
