President's Corner: Tim Smith

Here we are again - football season is upon us, and fans everywhere are gearing up, but the BEST fans in the world are Buffalo Bills fans, and the Tampa area has plenty of us! We look forward to our returning members and new members gathering at O'Briens to cheer together for our Buffalo Bills. Membership is only \$20.00 per adult and includes a club T-shirt and four tailgate parties.

Will we be the AFC East Division Champions again this year? Will we be the AFC Champions this year? Will we make it to the big game this year – Superbowl LVII?

More tailgate fun will be planned for post-season games and our Super Bowl party will be epic!

This year's schedule includes many televised late games, including the season opener against the Rams, but let's support the club and gather for all games at O'Briens, who have hosted the Buffalo Bills Backers of Brandon for twenty-two seasons.

It is going to be another exciting season and we look forward to seeing you all at O'Briens for the season and the post-season games. I want to express my appreciation to the Board members whose efforts keep our club going strong, and to all of you, our Buffalo Bills Backers members, for your loyal support. See you all soon! GO BILLS!

Buffalo Bills

Josh Allen's backup QB : Case Keenum #18

He is from Houston, is 34 years old, has 10 years experience and has played for Cleveland, Denver, the Vikings, LA & the Texans. This year, the Browns traded Keenum to the Bills for a 7th round pick. The trade reunited Keenum with Stefon Diggs, his partner in the "Minneapolis Miracle", a divisional game between the Vikings and the Saints where Keenum threw a game-winning TD pass to Diggs. Case has written a book called Playing For More, in which Tony Dungy wrote the forward. Keenum's dad has been a football player and head coach in the Texas university system. Case is married with one child. And interestingly, he is part-owner of a winery in Texas. You can buy a case of Case :-)

Defensive End : Von Miller #40

Von has 12 years of experience in the NFL, mostly as the folklore hero of the Denver Broncos. He was the MVP of the Super Bowl when Denver defeated the Panthers. This year, Von signed with the Bills on a 6-year, \$120 million deal, and right now has the most career sacks of any active player, and so we will see a lot of sacks this season! He is from Texas, majored in Poultry Sciences at Texas A&M, and operates his own chicken farm. Since he always had to wear glasses, he has a charity called Von's Vision, which helps kids get free glasses online. He has been a character on South Park, on Dancing With The Stars, and won big charity money on Celebrity Wheel Of Fortune. He is not married, and has one child.

New Offensive Coordinator : Ken Dorsey

Ken has big shoes to fill after our Offensive Coordinator Brian Daboll left the Bills to become the Head Coach of the NY Giants. Ken joined the Buffalo Bills 3 years ago as the QB coach, and was promoted to Offensive Coordinator this year. While it's an adjustment for Josh Allen to have a new offensive coordinator for the first time in his NFL career, it's not totally new since Dorsey was his quarterbacks coach for the past 3 years. Now it's just a matter of everyone getting used to Ken in his new position,

Dorsey is originally from California, but played QB for the University of Miami Hurricanes, and was the winningest QB in school history. He played in the NFL for the 49ers and Cleveland. He is married and has two children,
